

Career Review

Ten Questions to ask yourself:

- 1/ Which parts of your job are you enjoying?
- 2/ What most annoys you about your job?
- 3/ What is the relationship with your manager like?
- 4/ How do you think you get on with your peers?
- 5/ Do you have a clear picture of where you are going?
- 6/ How do you compare with someone else doing a similar job?
- 7/ How good is your network, internally and externally?
- 8/ Do your current company's values match yours?
- 9/ Does your remuneration match your skills, experience and abilities?
- 10/ What are your top 5 work achievements for the last year?
